Today's Game **Bears Will Furnish Opposition**

A lot of pad-popping and some exciting football should take place this evening when the Fort Hays State College Tigers meet the Colorado State College Bears. FHS will be seeking its second win in three starts and CSC is shooting for its second consecutive victory.

The Bears opened the new season last week in fine fashion with a 34-7 romp over Fort Lewis College at Durango. CSC plays two on the road before opening at Greeley Oct. 5 against Colorado Mines.

FHS, after an excellent 33-21 season-opening win over Northwestern Oklahoma State College here in Lewis Field Stadium, fell victim to Kearney (Neb.) State College 29-10 last Saturday at Kearney.

CSC comes in with three wins over FHS in the five-game series. The Tigers have beaten the Bears only once and that 34-0 victory came in 1966 from the co-CIC championship Bengal squad. Last year CSC slipped by the Tigers 10-7 at Greeley.

Coach Bob Blasi's Bears have become a permanent fixture on the Tiger grid slate now that FHS has joined the new Rocky Mountain Athletic Conference.

Last year's Bear squad posted a 6-2-1 season mark and better things are possibly in the making this fall. Some of the top people to watch include quarterback Mike Pedersen; defensive end Tom Voake; linebacker Randy Thompson; safety Jack O'Brien; end Gary Bell; and center Ron Klatt.

On the home front the Tigers should be up and ready for the Bear invasion. They will be out to prove last week's loss was "one of those things" and that they are not ready to be counted out. The Tigers know that a win this evening could be the start of something good — namely a move toward a winning season; a run for the final CIC football title; and a notice to other RMAC members that FHS is a team to be reckoned with in the future.

Next Week . . .

Next week's opponent will be the Bearcats from Northwest Missouri State College in the renewal of an old rivalry between the Missourians and the Fort Hays State College Tigers.

The last time these two institutions collided, Wayne McConnell's Tigers rolled up a 29-7 victory at Maryville, home of the Bearcats. FHS had a great night in the total yardage category as the Tigers chalked up 445 yards on the ground and in the air. Defensively the Bengals held NWM to a low of 194 yards.

Senior fullback Rich Dreiling had a great night at Maryville racking up 155 yards rushing, including a 48-yard touchdown sprint. He scored another tally on a seven-yard run. Another Tiger in action tonight also got on the NWM scoreboard. Ken Caywood, running from a halfback spot, romped 15 yards for a score.

FHS and NWM have met 15 times in football with the Tigers winning nine of those contests and NWM five. A tie came in 1963. The first game between the two institutions was in 1950 with FHS winning 21-14.

NWM lost some of its top 'Cats from last year's 3-6-0 squad including the top two quarterbacks; an all-conference fullback; and an all-conference guard.

A Look at the Tiger Stat Book

With one record already in the books and several others evident, Fort Hays State's Tiger football machine shoots for its second win of the young season tonight.

The new mark in the book is Ralph Arias' 41-yard field goal kick. He erased the old 39-yarder booted by Don Schrock against Northwest Missouri State in 1961. And if he continues his present pace (three field goals in two games) he may set an all-time high for a season.

Close to a new mark is Tiger fullback Rich Dreiling. The talented runner needs only 63 yards tonight or this season to become the leading all-time rusher in the Tiger record books. He has rushed for 2,396 yards in his career including two games this season. If and when he gets he 63 yards he will erase Bob Johnson's (Tiger star quarterback, 1963-66) mark of 2,458 career rushing yards.

Dreiling also needs 70 more carries during the course of this season to erase another of Johnson's old marks (581 rushing attempts).

On the Tiger stat charts after two games FHS is almost neck-and-neck with the opposition in the rushing department. The opposition is averaging 162.5 yards per game while the Tigers are lugging the ball at a 160.5 yards per game clip.

In the passing department however, the opposition is averaging 188 yards per game while the Tigers are gliding through the airways at an 84.5 yards per game average.

For total offense output FHS is averaging 245.1 yards per contest while the opponents are racking up 350.5 yards per game.

On the individual charts Dreiling leads all rushers with 218 yards in 36 carries for an average of 6.1 yards per carry. Jerry Harrison has 101 yards on 31 carries for an average of 3.3 yards a haul.

John Covington leads the passing department with 10 of 26 for 141 yards and three touchdowns. He also doubles as the Tiger punter and is averaging 37.7 yards a kick after 14 boots.

In the pass receiving department, end Dennis Spratt leads with eight catches for 93 yards and two touchdowns. Ken Caywood, slotback, has hauled in four tosses for 76 yards and one touchdown.

Arias leads the scoring by virtue of his three field goals and four of five extra point kicks. Spratt has two TD's and Dreiling, Caywood and Steve Seirer each have one.

Football Action from the Kearney State Game

STOPPING AN ANTELOPE DRIVE short of first-down yardage last Saturday are Tiger defensive stalwarts Frank Tappan (74), Carl Helm (21) and an unidentified tackler. Tappan, a Lyons junior who was a second-team All-Conference defensive selection last season, currently leads the Fort Hays State defensive charts with 30 tackles and assists and one blocked pass for 58 points. Kearney (Neb. State College) came to life in the final two and a half minutes to score two touchdowns and hand the Bengals their first setback of the young gridiron season.

Fort Hays State Cross Country Outlook is Good

Seven lettermen and the addition of some fine freshmen encourages the cross country outlook at Fort Hays State College this fall.

Leading the charge are NAIA All-American and internationally-famous John Mason and other monogram winners Bruce Zamrzla, Salina senior; Gerald Shelly, Ford junior; Roger Carlin, Bucklin sophomore; Jerry Duran, Johnson junior; Steve Boehmer, Bern sophomore; and Dick Bruin, Oakville, Ontario, Canada junior.

Missing from that list of CIC cross country champions is Dave McLeland, Great Bend sophomore, who is serving his active duty tour with his National Guard unit. He is expected back in the spring to enhance the track outlook.

Newcomers in camp include Alvin Penka, Odin, Dennis Wheatcroft, Ellinwood; Herb Camien, Long Island, N.Y.; Brett Biggs, Phillipsburg; Dave Geerling, Sylvan Grove; and Larry Masters, Scott City, all freshmen.

FHS opened the season last Saturday with a convincing 18-45 dual meet win over Kearney (Neb.) State College at Kearney. Mason won the four-mile race and Penka, probably one of the top freshmen ever to wear the Black and Gold, was second.

FHS will be shooting for its fifth consecutive Central Intercollegiate Conference title and is also wanting the final crown to be offered by the old CIC. After this year the Tigers enter competition in the newly formed Rocky Mountain Athletic Conference.

The Tigers are working under the direction of Coach

Alex Francis, the founder of the cross country program at FHS. He has guided Tiger teams to four CIC titles and two National Assn. of Intercollegiate Athletics (NAIA) crowns.

The Tigers are in Wichita today for the annual Wichita State University Invitational cross country meet and are defending the crown won there last year. FHS will run for the homefolk three times, the highlight being Nov. 9 when the Tigers host the final CIC championships.

FHS varsity and junior varsity squads compete in about 12 outings during the 1968 campaign. Home meets will be at the Fort Hays Country Club located southwest of the campus. The public is cordially invited.

PLANNING

wins football games. Planning is also the secret to your financial security. Let us help with all your financial needs.

Break your beard in right.

Right now your beard is in the formative stage.

You can shave it with a razor blade like your father does. And each time you do your beard will grow back a little more difficult. Until one day shaving's no longer a chore. It's an agony.

Look no further than your father's face for proof.

But fortunately, you're catching your beard at an early age. You can break it in to be just as shaveable 10 and 20 years from now as it is today.

With a REMINGTON® shaver.

And if you think the kind of shave we're selling won't be close enough for you, you're wrong.

Our new blades are sharper than anything that's been in an electric shaver before. And there's a dial that lets you adjust them for your skin and beard.

What's more, you can dial a REMINGTON electric shaver into a sideburn trimmer.

Admittedly, it costs more to buy our electric shaver than a razor and some blades.

But it's a good investment.

These next few years will determine how you and your beard will get along for the rest of your lives. ⁺SPERRY RANDTM ©1968, SPERRY RAND CORP.

Junior Varsity Opens FB Season Monday

Fort Hays State's junior varsity football squad opens its season Monday here in Lewis Field Stadium. The young Tigers meet the Kearney (Neb.) State College jayvees in a 2:30 p.m. contest.

FHS's jayvee squad is comprised mainly of freshmen. Any upper classmen who play do so because they lack the experience with the Tiger football system. It is here with the jayvee squad that future Tigers are made. Many of the Bengals playing with the varsity unit tonight got their start with the jayvees.

Senior assistant coaches Terry Claycamp, Phil King and Jesse Kennis handle the coaching chores with the junior varsity. FHS will meet Kearney State in a home-and-home series and may pick up another game or two during the course of the season. This year's jayvee squad looks promising and will try to make amends for last year's 0-4 showing. The jayvee record over the past eight seasons is 10-17.

Meet A Tough Tiger

JERRY HARRISON is shooting for his second letter as a Tiger gridder. The Beloit senior is the second-leading rusher on the squad and is probably the quickest Tiger back. He is a slashing type of runner with a lot of potential and should contribute greatly to the Tiger success story this fall.

Here Are The Bear Facts

In the beginning, Colorado State College consisted of four faculty members, 76 students who wanted to become school teachers and the mere promise of a building, a campus, an academic program.

Stores, garages and occasionally private homes were used as classrooms while Cranford Hall, the original college building, was under construction.

Out of this beginning, Colorado State has grown into four campuses and an enrollment rapidly approaching the 10,000-mark.

The Mountain Campus covers 80 acres near Estes Park. Still under development, the Mountain Campus is a favorite site for class-connected field trips and offers geological, as well as recreational, opportunities in a picturesque setting among some of the most spectacular views of the Rocky Mountains.

The Central Campus includes the original tract of land set aside for the college. Conveniently located, the Central Campus is surrounded by local stores and laundromats and lies within walking distance of the downtown Greeley area.

As additional space was needed to accommodate an expanding student body, the East Campus was annexed to supplement housing needs. Located approximately two blocks east of the Central Campus, the East Campus also houses CSC's athletic fields.

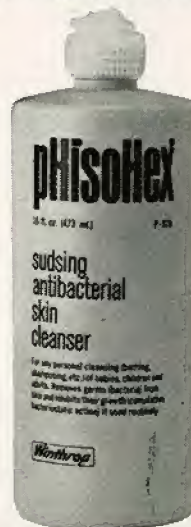

The latest concepts, including co-educational living, have been incorporated into the West Campus. The rolling 150-acre tract has been designated as the site for all new capital construction in the next 10 years. The West Campus houses a new, thoroughly modern Student Center and will be the site of a new library and gymnasium in the near future.

Under the guidance of President Darrell Holmes, Colorado State College has taken a new direction in both the academic and athletic realms and is recognized as one of the top five teacher education institutions in the nation.

We're proud...

that pHisoHex® has been selected as the antibacterial wash to be used by the U.S. Team for the 1968 Olympic Games!

A winning athlete takes special care of his skin. Above all, he protects it against bacteria that can cause infections and lead to missed practice sessions and games.

If you've ever tried to play with an infected blister on your heel or an abscess on your finger, then you know the role of healthy skin in sports. And that's why pHisoHex is an important part of an athlete's daily health routine. pHisoHex is America's leading liquid antibacterial skin cleanser in homes and in hospitals. Used regularly in place of soap, pHisoHex produces a superclean skin and builds up an invisible antibacterial film of hexa-

chlorophene to protect your skin against germs between washings.

And if you have problem skin, pHisoHex is often valuable. The antibacterial film it leaves on your face will ward off blemish-infecting bacteria. pHisoHex also helps to soften and wash away blackheads.

Use pHisoHex, the skin cleanser of winning athletes.
